The TrailRidge Song

We would sing this at the end of each campfire.

(Tune: *Will the Circle be Unbroken*)

Verse 1:
Here at TrailRidge, in the mountains
With our fire burning bright,
May this circle of new friendship
Be a warm and shining light.

Verse 2:
There's a winding road that leads here
And a path right up the hill,
Built this camp and now we love it,
And the memories linger still.

Chorus:
Will the circle be unbroken
Bye and bye, Lord, bye and bye
There's a better home a waiting in
In the sky, Lord, in the sky.

I Blazed the Trail

Jay Jalenak sent this song to me. I personally don't remember it, but certainly Jay's memory is better than mine.

(Tune: *Happy Wanderer*)

I like to go a wandering,
Along the mountain trek,
And as I go, I like to sing,
My knapsack on my back.

I blazed the trail;
Blazed the trail;
In '82, the summer through;
I blazed the trail;
At TrailRidge Mountain Camp.

TrailRidge Trip Report Song

We would sing this song between reports when boys would give their thoughts about a trip they had just taken.

(*Tune: Alice's Restaurant*)

You can get anything you want at
TrailRidge Mountain Camp,
You can get anything you want at
TrailRidge Mountain Camp.

Hike on up check out the scene
It's just a couple miles past Buladean,
You can get anything you want at
TrailRidge Mountain Camp.

Occasionally kids would add "excepting candy" at the end.
